### Be a Resource for Your State Legislators

At this unprecedented time, it seems everyone is looking for medical guidance, answers and advice. Members of the Arkansas Legislature are doing their best to field questions from constituents regarding the current situation. AMS encourages you to share your knowledge and insight with your legislators.

If interested, click on the link below to find your state Representative and Senator, then contact them offering yourself as a medical resource to answer any questions they might have. We are all in this together.
